“ On behalf of the Friends of the South Regional Broward College Library, I want to express sincere condolences to the family. Judith was the treasurer of the Friends group and had responsibilities for the Friends Gift Shop and the volunteers. She was the consummate manager. Judith was practical and creative. At no time did she flinch from her responsibilities. She always found a way to get the job done and I particularly admired how she always sought to ensure that the volunteers felt valued. In any situation, one would be hard-pressed to find another person as reliable and dedicated. she supported every library event, function and program ...championing the cause of the Friends and the library to the very end.

Judith epitomised "love thy neighbour, as she always had kind words and extended a helping hand. We consider ourselves blessed to have had her among us. Please know that your mother, grandmother, aunt and all the other hats that she wore, has left a legacy of kindness and dedication that we will always remember.

May her soul Rest in Peace.

“ Hi Family All,

It was an honor to have met Judith in October 2017. I had just arrived from Jamaica.

She never hesitated in helping me become a volunteer at the Library on South Broward College Campus.

During my short tenure there she was kind,courteous and caring.....it was never an issue to ask for assistance whether to get to a clinic...job hunting ....whatever it was Judith was willing , available and able to assist.

She lived a Christian life... walked it and talked it. I will always cherish the beautiful pink scarf she gave me.

She had taste and grace....

Be comforted in the days ahead.

May her soul Rest In Peace and light perpetual shine on her.

“ Warren and family, please accept the condolences of my family and I on the passing of Judith, your Mom, Grandma, Mom-in-law, sister, was a giving and caring and compassionate friend to us. She always had a listening ear, and a kind word of advice to help in situations brought to her attention. Judith was loyal to a fault and took whatever responsibilities she undertook quite seriously, giving her utmost to make sure each task was completed satisfactorily.

I will miss her sorely: her dry wit, her infectious smile, her can-do attitude, her friendship, our telephone and in person conversations about any and everything.

Walk good Judith and may your soul rest in Eternal Peace.

“ Warren and family, we are truly sorry for you loss. Trust me when I say Judith, your mother was a very special person, who will be MISSED by us all. A more giving and generous spirit I have never met, a shining example to all. May memories of happier times past, give you comfort as you go forward.

God's Blessings,  
Marcia and Horace Ward.

“ Warren and family Our Sincere condolences on the passing of your Mom, grandma, aunt cousin and friend. Judith gave her all to the service of the Friends of the library to the very end. Her favorite saying was that “ she did it for the children” The joy on their faces when they purchased their favorite after school snack in the gift shop. She will be MISSED and it will be extremely difficult to find another person to manage the gift shop as efficiently as Judith. May her soul Rest In Peace.

“ Judith was a wonder and an inspiration. Her friends and co-workers were amazed by how giving she was and how much Judith accomplished. She was also fun and so kind-hearted. Our team was always happy when Judith was at SR. We will miss her more than words can say.
