Adema Verne - December 16, 2020 at 03:18 PM

“ Adele was such a caring friend. Despite the fast pace world in which we live, Adele always took the time to be a friend. She is greatly missed and knowing her has made me feel so fortunate. Adele's favorite color was yellow and now it is mine. Adele was always so calm and encouraged me to always relax because everything was going to be ok. Thank you for being my friend, I learned so much about life from you.
