“ I will never forget cooking Mac and cheese for the gender reveal. Serving you food at the baby shower because ash was everywhere. The first time me and Brandon came over and you guys went on the balcony to talk about dad stuff and all us moms where on the couch putting babies to sleep... I'll never forget when I came and made tacos for us all. I didn't get to spend a lot of time with you but I know how much Ashley loves you. But for right now we all will watch over her until we all can meet again..
