THE FINAL JOURNEY HOME

Less Tears – More Laughter

Yes, we'll miss you Angela,

but we don't wish to hold you back with our tears (grief).

The prophet Isaiah Ch 53 – a major messianic prophecy on healing – reminds us, hundreds of years before Jesus was born that the messiah will remove sickness and disease, including grief from his followers.

Jesus himself told us: "Let the dead bury the dead." He implied that he came to bring a more abundant measure of life. He started a renaissance, after

Pentecost, the official birth of the church.

Isaiah 53 tells us that sickness, grief and poverty are not of God.

As explained so elegantly by Gloria Copeland on the Victory Channel recently

God Does Not Waste Miracles

In the twentieth century alone we had more than 2000 Apparitions of Mother Mary.

Many were in preparations for times of unusual political unrest and great suffering.

From Fatima in Portugal, before the Bolshevik Revolution, to Garabandal during the Cold War in the Sixties. Even since Lourds (in Spain in the mid 19th century) that yielded the healing springs in the town of Lourds, to Garabandal, the Apparitions became more friendly and personal in nature. See Proverbs Ch 3 below – How to make your relationship with God more friendly and personal.

Your Home-Coming is Loaded with Promises

of Glorious intimacy with God – We are almost jealous

At age 95 after overcoming many major life challenges

As a teacher, business partner & community activist

The poem below from a recent book you have completed at age 95 reflects this part of

Your home coming – The “Bride of Christ” is coming Home

Messianic Rabbi, Schneider recently told us that the book Song of Songs in the Bible

Was considered by Rabbi Akiva as the most sacred book of the Bible. Who would have known???

Proverbs Ch 3 – the mystical interpretation of the original Hebrew text reveals the road to intimacy with God. See the poem at the end (below)

Now in planning

A. Follow-Up Memorial Service in the Apopka area (Central Florida)

This Memorial Service may be available in 2-3 months when Angela's book – A Horseman's Trail will be ready for distribution. This is a book about the colorful life of her brother who passed away last year. He was a Korean War Veteran that has risen to the highest level of trainers and judges of Hunters and Jumpers competitions.

B. A not for profit website to elaborate on the subjects that were touched on during the service. The Title will probably be: Healing Is The Children's Bread.

The Poem

from Angela's book Horseman's Trail

The Wedding Vow

In the silent space of endless time

two souls touched and drank of wine.

Exhilarated they danced and played their tune

and searched for limits beyond the moon.

God, they were magnificent in their brilliant love sublime

joined in eternity by a rainbow hue divine.

Their souls were full of music.

Their souls were full of love.

For in their eyes they visioned

our Father who dwells above.

He caressed them and gave them His promise

eternal loneliness to cease.

A dove His gift to guide them

in sorrow and in peace.

And now, they are here together

bound on this earthly plane,

, pledging their lives forever

to be one and both the same.

In the silent space of endless time

two hearts met – yours and mine.

Come, let us grow old together.

Nae. Come. Let us grow young together.

Come. Let us grow together.

“ *My Angela, you were one of my Boss' for over 11 years, but one of my closest friends for many more. I'm so happy we got to send a whole week together just 1 month ago. You were so full of life and fun I could barely keep up with you. I couldn't wait for our next adventure. I'm sure you're singing & dancing with the angels once again, and I hope you can finally drive that golf car. We miss & love you, Judy & LuLu*
