“ Grandpa, Thank you for being there and opening your home for me in Brooklyn. I will always remember you spending the time and showing me around N.Y, You always made sure that I had everything I need. I will never forget our UFC and boxing fight talks on who will beat who and when's the next good fight. You fought the best fight ever grandpa, I will miss you. - Willy Alisma

“ Grandpa Thank you for being such a positive influence in my life. You are always so kind and welcoming. Always remember spending my summers in Brooklyn with you. Thank you for remembering my birthdays and calling to check up on the holidays. You attended my wedding and loved to hear about your great grandson Khalil. I will miss you. -Nathalie Alisma Harris.

“ *Daddy my dear sweet daddy! Words can't describe the hurt that I feel. It feels like a horrible nightmare and I can only hope that waking up will allow me to hear your voice again. I am going to miss your laughs, our regular check ins, and you rushing me off the phone because I worried too much about your well-being. I know you you are smiling down from heaven now watching over all of us and it's selfish of me to want you in the flesh knowing that you are no longer suffering. Until we meet again. Rest in Heaven Daddy! Love always Steph*

“ *Oh Papi, my heart is broken. When I come over now, you won't be there. I won't hear your voice call me "ti mama" or "hi marj" but your not suffering anymore. This has not been easy for me. I look like I'm on the outside but inside I'm so broken. I hope you really heard me say to you before you passed that I love you so much.....COVID sucks...*

“ *Dear Dad*

*I know this is not the way you wanted to go, we have discussed covid almost all the time we had our weekly discussion and your greatest fear was if I get covid it will kill me, you should know that we did everything possible to save you but I guess GOD wanted you to come home, YOU WILL BE TRULY MISSED, LOVE YOU DAD until we meet again 🙏*
