“ *just sitting here thinking about you.. you are always so gently and know the exact words to say to whatever situation.. i remember when i say you in Dec 2010, and i hug you and told you thanks for taking up the role of my grand father (your brother), and told you i love you, not knowing i would never see your smile again.. we miss and love you.. cant believe aunty Mavis follow so fast.. now your both leading services in heaven.. will be in our hearts forever..*
