“ *Granddad I know you were very unhappy here without grandma and I know its selfish of me to want you to still be here and just the thought of not having your smile when I pull up outside the house is heartbreaking. I'm here in the house and tears full my eyes to know I have lost you both. Even tho you were a man of few words your presence meant the world to me. I love you and the morals and values that you both have instilled in me will forever remain and I thank you for all you have done for me and I am forever grateful, please continue to watch over all of us, until we meet again.*

Love you both your granddaughter Louise
