“ *Beatrice Gibbs was a sweet, dear and very loving aunt to me from I was a child. She was always giving something beautiful to others though she did not have much. I will forever miss her. Thoughts of her are constantly with me. The good ones always seem to go early. Rest in heaven with Jesus dear Auntie. I love you always.* 🙏❤️🌹

*Remembering you and missing you terribly Auntie Beatrice. Why did you have to go so soon I often wonder. No one to call me my baby anymore. 😞
Your dear niece. ❤️*
