“ She had a good heart and was very kind to me as a child. She was my godmother and somehow, we lost contact. Finding her here is heartbreaking because I have been searching for her for years. I pray that her soul finds peace.

“ I send my deepest condolences to the family of Beryl. I foundly remember spending time with her in Kingston when I came to visit my grandparents Marjorie and Philip from Ireland over 20 years ago. I loved getting to know her then and again in Florida a few times since. May she rest in peace with the Lord and saviour Jesus Christ. Much love Ursula x

“ To the family of Beryl I send my deepest condolences. She was my dearest and closest friend ever since childhood. We both tied at winning a scholarship for entrance to Rusea's High School in Lucea when we were barely eleven years old. Our friendship grew very strong and healthy and even after having gained our school leaving certificates we kept in touch and savoured our friendship throughout the years. Beryl was a great team leader, a wonderful mother and grandmother. I shall never forget her firm yet gentle demeanour whenever there was scolding to be done, however, we all must go and her time has come. Rest well "Miss B" from your dear friend, Margaret Rose Williams, Can.
