

Beverley Deloris Hanson

November 16, 1948 - December 2, 2022

Obituary

Beverley Deloris Hanson, was born in Clarendon, Jamaica November 16, 1948. She was immersed in the Christian community from an early age and remained an ever faithful servant. Beverley graduated with a certificate in key punch operation, the leading-edge data processing technology of her time, and worked as a data processing analyst for almost 50 years.

Beverley worked at Jamaica Public Service, an integrated electric utility company and the sole distributor of electricity for Jamaica, until she emigrated to the United States. Beverley moved to Philadelphia, PA in 1979 to join her parents and siblings. Within less than a month of landing in the United States Beverley was employed by Alfred Angelo, a bridal service company, where she worked as a data processing analyst. Beverley flourished at Alfred Angelo with increasing responsibilities and ultimately became manager of the Accounts Payable department. In 1995 Alfred Angelo offered her a relocation package to South Florida- a dream come true for her. She was able to join her family members who moved to South Florida in the preceding decade in search of warmer winters. Beverley retired from Alfred Angelo July 2017 after 38 years and 3 months of service.

Beverley was an amazing mother, grandmother, sister, aunt and friend. The simplest pleasures in life brought her great joy. Beverley treasured good conversations and engaged in them with excitement and enthusiasm. She

loved to cook, read, take morning walks, and spend time with her family- especially at family gatherings. Beverley also loved to dance. She had an uncanny ability to find joy in her daily activities always giving all honor and praise to God.

On December 2, 2022 after a brief and courageous battle with cancer the Lord called his faithful servant Beverley home to finally rest in peace.

Beverley is survived by her daughter Nicole, her granddaughter, Lucille, 4 sisters Gloria, Paulette, Sonia, and Marlene and 3 brothers Lawrence, Narval, and Albert in addition to a host of nieces, nephews, other relatives, and friends.

“ Sister B! As your younger sister I have always looked up to you and in return you have nurtured and loved me unconditionally. My most cherished memories are those frequent conversations we shared and the times we met up at family gatherings and church. You were my confidant, sounding board and advisor. Your wisdom and truth in those interactions have made me the person I am today . The day I was born I became your biological sister and the day you left you became my guardian angel .RIP I will always Love you and you will be in my heart and soul through eternity.

“ I’ll miss you Mom-mom. I’ll never forget your strength, your beauty, and your love. I have so many favorite memories of us, but the one that represents us best is when we got into a fight over a washcloth. And I tried to tell you that my way was the better way, and thus the way we should put the washcloth. You looked at me like “who let this 8yro in my house?!?” and honestly you were right, my way was stupid.

I’m with you till the wheels fall off❤️

“ Never will forget the first time I met you in 1976 when Sonia visited Jamaica. You welcomed me into your home and fed me with the most delicious stew pork and rice and peas. Since , that calm , loving and embracing spirit, along with that special smile that greets you every time will be forever embedded in my memory. As a sis in law, you were special. I love you and will eternally miss you . SIP ❤️❤️

“ Oh Aunt Bev, miss you man. Many memories, I'll tell you one. As a kid in the country and time to come to America, most of the family already gone. I came to Harbor View at your home with baby Nikki for you to get me to the airport. You gave me my instructions with my papers in a yellow Air Jamaica bag. "Don't let anyone take your bag". I held on tight. Upon arriving Philly, I held on. Don't remember the rest, but all I know is that the announcement came over the PA system. There is a Paul Chen here with no papers. I held on tight. Love you.
