“ Beverly was an outstanding person who was caring and very intelligent. She was always ready to assist you with any computer problems and never lost her patience when it was difficult for us "oldies" to learn.

I can remember being at her Baby Shower when she had her first child.

The Lord must need her help in Heaven and that is why He took her from you so young.

My thoughts and prayers are with the entire McLeod family during this difficult time.

May she rest in peace,

“ My deepest condolences to you all. You are in my prayers and thoughts. My heart is heavy yet I rejoice in the fact that Beverly is resting with the Father. She was such a strong woman of Faith. Her lovely smile, warm embrace, and words of encouragement will always be remembered. I deem her as my sister in Christ. May the Peace of God rest on you all.

“*To the Family of
“Beverly Ann McLeod”
You can shed tears that she has gone
Or you can smile because she has lived
You can close your eyes and pray she'll come back
Or you can open them and see all she's left behind
Your 'here and now' can be empty because you can't see her
Or you can be full of the joy and love you shared
You can turn your back on tomorrow and live in the past
Or you can be happy for tomorrow because of all your yesterdays
You can remember only that she has gone
Or you can cherish her memory and let it live on
You can cry and close your mind
Or you can do what she would want you to -
Smile and open your eyes, love and go on*

"To live in the hearts of those left behind is not to die"

*Our thoughts and prayers are with you
and your family during this time of sorrow
With Deepest Sympathy*
