“ Branford was one of the kindest most gentle people I have ever had the pleasure of knowing. I always looked forward to working with you and talking about football and life in general. Your smile was infectious. I'll miss you my friend. Until we meet again, rest easy. Love ya bro.

“ My always cool, calm & humble cuzzo...words cant express how heartbroken I am, but i have to understand that God needed you more💔 Though we didnt have the chance to make more memories in the recent years like planned i will forever be thankful for all the memories we shared growing up. You will never be forgotten & your music will continue to live through my speakers. Forever in my heart always,i love you till we meet again💙 -Toya

“ Branford, I have known you for a short period and loved you like a son. Some may say that you are gone too soon, but God knows best. I am at peace knowing that I saw you a few months ago and would like to remember you that way. You were what I would call " a man of not so many words" and a gentle soul. Rest in Peace until that day, when we will all meet again....
