“ We haven’t spoke in a while but would be nice to hear your voice 🥰 many people don’t realize how great of a person you were you made me happy with you’re jokes, you were someone I could go to if I had a problem with someone and we would sit down next to each other at Seacoast nursing just talking bs about the person lol ... I wished to have been able to be there to see you one last time but I’m sending flowers to you hun and only God knows I wanted to be there for our friendship
