Obituary

Cicely Eunice Matthew-James was born, April 3, 1947 to the late Eulalie Louisa Adams and Oscar Matthew in Greenbay, St. John's Antigua where she spent her formative years.

Cicely Migrated to St. Croix US Virgin Island in the early 70's, while there she met and got married to the late Raphael James. She was the biological mother of five children but was a mother to many. In St. Croix she worked for Master Time Watch factory as a Watch Maker for several years, and was an extremely hard and dedicated worker.

She was excellent in the kitchen, so because of her culinary skills she was often called upon to cook for weddings, parties and social events throughout the island. She made a fabulous Goat water, among other thing. It was often said "that she put her foot into it" when executing her culinary skills.

In St. Croix she was affectionately, known as Reds, and was very popular and was, known on the island for throwing some of the best parties ever, as her personality and cooking drew people to her. Cicely loved to dance, give jokes and was often time the life of the party.

Cicely, was a straight shooter and very outspoken, she told you exactly what she thought and felt and some would say her tongue had no filter.

However, despite how one felt about what she had to say, she was a softie who cared about people.

Cicely was a very caring and loving person who loved her children and grandchildren, and her family as a whole and worked very hard to provide for them.

Her love of family motivated her to work hard and she made sure that she moved her entire family from Antigua to the US Virgin Islands. Her love of family was not just limited to blood relatives but for fellow Antiguan. She was an unofficial point of contact for her fellow country men and women when they moved to St. Croix. She was the first to extend a helping hand with food and monetary assistance often providing a safe haven for them.

In the 90's Cicely relocated to Miami and despite a change of scenery she was the same determined hard worker she had been her entire life. She worked for several hotels in Miami Beach and then for the department of Education as a school crossing guard for approximately 5 years. She attended Gospel Life Apostolic Church and then later transition her attendance to the Church of God of Prophecy. She loved the Lord, praying and listening to gospel music and playing her tambourine at church.

Two, twenty-two, twenty-two, a once in a life time occurrence on the calendar will also be a once in a life occurrence for us all, as that was the date we lost a mother, a friend, a sister, an aunt, a grandmother, a great grandmother.

It is really hard to understand the pain a family endures because of the loss of a loved on. Over time that pain will subside but the hole still remains. Holding onto those special memories, makes life easier and the love lives on forever. My condolences to you and your family Bev. I will pray for God to give you strength while you endure this sorrow. The body is gone but the spirit lives around you and in you.
