

Claudia Veronica Chong

January 5, 1943 - January 1, 2012

Claudia Veronica (Lowe) Chong

January 5, 1943 - January 1, 2012

Some people cross your path and leave an imprint on your heart while others enter your heart and make it beat. Claudia will forever be a part of the rhythm of our hearts. Her time on earth was divinely blessed with all the joys one searches for in this journey we call LIFE.

Claudia meant something special to each and every one of us. She was a loving wife, mother, grandmother, sister, aunt and friend. She touched the lives of all who knew her. Because of her life and the legacy she left, our world is a better place. Her smile will be remembered and her giggle always cherished. Her embrace will be sadly missed but never for a moment forgotten. The joy she brought to all of us will forever remain as cherished memories in our hearts.

Claudia is survived by her husband of 46 years Cordinald Chong, her loving children and their spouses Jacqueline and Jeff Carew, Sean and Jayne Chong and Melani Chong and Bradley Walsh. She was the proud grandmother of five adoring grandchildren, Richard and Claire Carew, William Chong, and Drae Clarke and Cody Walsh.

After a long fought battle due to an anoxic brain injury as a result of an asthma attack in January 2010, we are asking that in lieu of flowers, donations be made in Claudia's name to the American Lung Association (www.lungusa.org).

Her life will be celebrated in services held at Grace Funeral Chapels, Lauderhill, Florida www.gracefuneralchapels.com

Claudia had mountain moving faith and a heart so big it embraced us all. She is now in the arms of angels and smiling down from heaven above completely at peace and surrounded by love.

The Family is requesting that in lieu of flowers to please make a donation in Claudia Chong's name to the

American Lung Association at www.lungusa.org

A repast will be held at IGFA Fishing Hall of Fame & Museum

300 Gulf Stream Way, Dania Beach, FL 33004

South/West of 95 and Griffin Rd.

Main Phone (954) 922-4212
