“ *Missing Someone Is An Indescribable Feeling!*
Missing Someone whom you know you'll never get to see, touch or hug anymore is an Indescribable feeling.
Some kind of emptiness nothing and no one can ever fill.
A loneliness that is deeply felt by your soul, tears shed not through our eyes but flows from the core of our hearts.
Our Prettyface couldn't stay here a prisoner of pain, not when there's a heaven to gain, so she went when the angels called her name though things will never be the same.
Claudia/Prettyface I will hold these memories of you close to my heart and cherish them each day with a smile.
She's still a daughter, our sister, she's still Lance Wife, the love of his heart. A wonderful mother to Morgan, Shelby and her Lancey and to those fortunate ones she called friends.
I still cry not because I consider her lost, oh no she has a new home, and it's heaven's treasure box.
Our Prettyface gave her all to those who came in contact with her, the Lord gave us 24 hours in a day but only the Lord knows how Prettyface find 48 hours in a day caring for family and dear friends
A link is gone missing from our chain but it will be made unbroken in the ever after.
The Family That Prays Together Stays Together. Rest In Perfect Peace, Our Brother Prettyface Become Our Prettyface, We Love You In Life And We Love You In Death!!!

Trust that in God's hands your jewel, your diamond is being changed into the northern star that will guide her loved ones along their way, just think you'll have your very own star to wish upon. Yes still trust God for he has promised to keep safe and sound that which we commit to him until that glorious day. My thoughts and prayers are with you and your children. Merlene in Flankers*

Right-living people die and no one gives a thought. God-fearing people are carried off and no one even realize.

The right-living people are you of their misery, they're finally at rest.

They lived well and with dignity and now they're finally at peace. (Isaiah 57: 1&2)

“ Claudia, was like a big sister. I saw her every morning, I went everywhere with her. It was me and her every day all day. I cherish my time with her as a little boy. She taught me about great cuisine, how to make jokes, she taught me about discipline, and how to treat others with respect no matter their circumstance. As a 4 year old to learn these powerful lessons have been core to who I am my entire life.
