“ I Charmain Allen I work for Pastor Williams for so many years as a baby sitter for Daniel, Donna, and Danique at Tangle wood mrs williams and I song together words cannot explain how broken hearted I am about there passing. I can recall Pastor buying huge bags of flour, cornmeal, sugar, Rice tin items etc and he would said to he pack a bag of food and give it to anyone passing and asking for food and you let me know when the stock is running out. He was a real busy bee but he was always available when it time to sit down for dinner, he was so family oriented loved his wife I knew he wouldn't take long to go home to her being they were inseparable, he would save some of the money he paid the babysitter match it and send to a trade school hire another one and do the same thing. To be honest with you, we have to search long and hard to more people like Pastor. We love you but Jesus loves you more RIP in Peace Pastor Don. Ron be strong for them Children you guys were so close.

“ Danny has been my friend and coworker back in Jamaica for awhile. I have had many good memories with him. I was more than happy to welcome him to Florida when he transitioned from NY, as a matter of fact I invited him to Florida the first time he preached there and the rest is history. Daniel, Donna, and Danique, I am very sorry for your loss and remember God is watching over you all. Your daddy was a fun person, loved his dominoes and a friend indeed.
