“ My beautiful friend, Daniela. I can't believe you're gone. My heart hurts for you and Avery. My heart hurts for your family. We will spend the rest of our lives missing you.

We once spent every single day together. From meeting each other at school, to becoming friends and working together for 3 years. We've shared so many special moments together. You are one of my best friends. I will miss you so much. I love you!

“ Daniela!! I don't even know what to say about her.. other than she was such an amazing soul, friend, mother. That girl could make your down from down to happy right when she walked in a room. I'm so saddened by this. Your one hell of a guardian angel now to your baby girl Avery. I love you Daniela! Until we meet again ☐
