“ *Condolence to the Minto family at this time of grief and loss. Douglas was a gentle and caring person. Memories from over forty years ago still lingers, rest in peace my brother....from the Laing family.*

“ Ours hearts were saddened when we heard of our friend, Douglas, passing. What a wonderful man he was. He will always greet you with a smile, so friendly and ready to help us when needed it...our home has Douglas' touch all over it. Every time he started his work, he made sure his radio was on with gospel music...we will talk about the blessings of Jesus in our lives.

The evening that he stopped by our home to give us the news of his illness, he didn't have his usual smile on his face. We knew something was wrong the moment we saw him. We were so sad and prayed with him. He will always be remembered in our family. He had such a sweet and gentle spirit.

We were not surprised to see the outpouring of love for him in his funeral service. We agreed with so many that spoke and gave him a beautiful tribute. We were blessed to have known him. Our condolences and sympathies to Dee and family.

“ Douglas was one of the kindest person my family and I had the pleasure to call our friend. His smile brightened the room, he always left a lasting impression, and he will always give you a warm hug whenever it was time to go home. He would always ask for Edi and if she wasn't around he would say "say hi to Edi for me;" Edi equally loved him as well as the entire Brown family. He was an excellent father, an amazing husband to Dee and the best craftsman ever. We were blessed to have such an amazing person around us; he was really a gift. Sending our condolences and hugs to Dee and family.

“ *David was one of the most selfless, dependable, loving, caring and God fearing person I know. He wasn't without flaws (no one is) but he was someone whose action speaks for him. He has made a big impact on many, many, lives. He has now shed his earthly garment and will one day wear his heavenly robe. Sleep is peace my love until we meet again.*
