“ *Dear Brothers: I am so sorry about Dave's passing, I will always remember my visits to mom and you guys and how Dave was a great stepfather to me. Wish I could have spent more time with him over the years, but distance and time came between us. God Bless all, and I know Dave is looking down with love on all of us. He and mom are finally together again.*

“ Uncle Davy will be remembered with a lot of love here in Ireland. There are happy memories of homecomings, celebrations and gifts, but I also remember the fun and liveliness he brought with him.

For me and my siblings, he encouraged us to speak up and valued our opinions. He was always eager to give an opinion, always ready with a story to tell, but also willing and wanting to listen.

*He was a vibrant character who will be missed.
My condolences to his family.*

“ *Uncle Davy would arrive in Ireland with trinkets and toys when I was growing up. He'd present me with anything from a stuffed animal when I was very young to a cool Harley-Davidson leather wallet. I remember in particular a set of personalised engraved pens when I first became interested in writing. He was a generous soul.*

But the thing I'll remember most is that as I got older, we had lengthy discussions on almost any topic. He would listen to the know-it-all teenager I once was, and treated me with the same respect he would anyone else - debating things all afternoon long. That's the kind of thing a young man values, and I'm sure he knew exactly that.

Deeply saddened to hear of his passing, and my condolences to the whole family.

“ *Uncle Davy always loved his visits home to Ireland and I remember as a little girl it was always the party atmosphere when Uncle Davy came back to visit and stayed with Granny. We always had a lovely homecoming evening with all the family. It was a matter of great excitement as he was always very generous to us, I remember in particular one pink glitzy party dress of which i think there are several photos! We always enjoyed getting to see Uncle Davy and will miss him. Love Jennifer*

“Dad is a loving, caring, kind, huge-hearted beautiful man. He would bend over backwards for anyone. He was a faithful servant of our Lord and his love for Him was infinite. He is a man of principles and ideals that guided our family to who we are now today. He was a faithful, dedicated husband and father. I am thankful that I was raised by him with full of his unconditional love and kindness. I am already missing you and I will continue to walk the path that you have shown me, with the guidance of our dear Holy Father. I hold a huge place for you in my heart and I am deeply saddened that you are no longer with us, but I know you are finally home with mom and Jesus. I love you so much and thank you for everything!

Love: Dave

“ For Ciaran, John, David, Clare and Liam,

I have many happy memories of my Uncle Davy when he visited us in Dublin and when my mother, sister and I visited you in Florida. I remember bringing him to visit Clonmacnoise in Offaly. My daughter was a baby at the time and we went on a steam train and learned how to cut turf on the bog. He really enjoyed it. My husband brought him to Croke Park to watch the Dubs play in an All- Ireland Semi final football match and he enjoyed it that too. I think it brought back memories of his childhood. Uncle Davy was a Dub at heart and always loved Ireland.

*Our prayers and thoughts are with you at this time.
May he rest in peace*
