October 27, 1963 - February 10, 2021

Our beloved Dawn also known as Alethea took her exit unexpectedly from the cares and discomforts of this world on February 10, 2021 at the tender age of 57. She experienced many victorious battles with asthma over the years but unfortunately her joy of life was cut short.

Dawn was employed at the City of Fort Lauderdale for over 20 years and was well loved.

A memorial visitation observing current Covid-19 restrictions will be held on Friday February 26, 2021 between 5:00pm and 9:00pm. Streaming on Facebook on Grace Funeral Chapels page and YouTube on Grace Funeral Chapels Live.

Please join the family in celebrating Dawn's heaven bound departure in person or by watching virtual service at First Church Coral Springs on Facebook or YouTube February 27, 2021. Service begins at 12:00 noon.

“ One year. I still look for you. I still pick up the phone to call you. I whisper your name, praying to see you. Words cannot express how much I miss you or how much I love you. Forever brokenhearted that your not here with me and forever elated that I know you are with our Lord and Savior. I love you to infinity and beyond, Dawn, and miss you the same.

“ *We little knew that morning that God would call your name  
In life we loved you dearly In death we do the same  
It broke our hearts to lose you but you did not go alone  
For part of us went with you the day God called you home  
You left us beautiful memories Your love still us your guide  
And though we cannot see you You are always by our side  
Our family chain is broken and nothing seems the same  
But as God calls us one by one the chain will link again*

“ Just want to send my condolences to Dawn's beloved family, death of a loved one is never easy, but know you are not alone. Now is the time to lean upon your faith, and take to heart the words found at 2Cor 1:2-7: May you have undeserved kindness and peace from God our Father and the Lord Jesus Christ. Praised be the God and Father of our Lord Jesus Christ, the Father of tender mercies and the God of all comfort, who comforts us in all our trials so that we may be able to comfort others in any sort of trial with the comfort that we receive from God. For just as the sufferings for the Christ abound in us so the comfort we receive through the Christ also abounds. Now if we face trials, it is for your comfort and salvation; and if we are being comforted, it is for your comfort, which acts to help you to endure the same sufferings that we also suffer And our hope for you is unwavering, knowing as we do that just as you share in the sufferings, so you will also share in the comfort. May Dawn rest peacefully in God's Memory

“ Sandra, I am absolutely heartbroken to hear about the loss of Dawn. A person who brought so much joy and happiness each and every day. Words will not wipe away your tears or may not ease the pain your in. But we will forever have our memories to remind us of the happy times to ease the grief on this journey. Just always know we're here and that our thoughts are with you and your family. It is my prayer that God will continue to comfort you and your whole family during this time of sorrow. 🙏

“ 1 / 1

JOANNE R BATSON TO ALETHEA DAWN JOHNSON

*Mahatma Gandhi said “There are no goodbyes for us. Wherever you are, you will always be in my heart.” DAWN gained her heavenly wings on February 10, 2021, leaving us all shattered, in deep pain, because Dawn’s work family have not only lost an associate, we lost a friend.*

*Dawn, we remember your service, sacrifice, and hard work. Your accounting ethics, principles, honesty and standards were so high that others after you may never be able to duplicate. Indeed, you answered a noble call and your hallmark was truly professional.*

*To Dawn’s family, we mourn with you, we cry with you, we stand ready to support you.*

*I love and miss you Alethea Dawn Johnson*

*I know that no matter what, You will always be with me.*

*I know it is only your soul saying goodbye to your body*

*But your spirit will be with me ALWAYS.*

*When I see a bird chirping on a nearby branch, I will know it is you singing to me.*

*When a butterfly brushes gently by me so carefree, I will know it is you assuring me you are free from pain.*

*When the gentle fragrance of a flower catches my attention, I will*

*know it is you reminding me to appreciate the simple things in life.*

*When the sun shining through my window awakens me, I will feel the warmth of your love.*

*Goodbyes are not forever, are not the end, it simply means I WILL MISS YOU, until we meet again.'*

*– Rest in Perfect Peace Dawn-*

“ REMEMBERING DAWN ALTHEA MAUREEN JOHNSON  
From the Taffe's Family

*When we remember your smile,  
It brightens our day,  
And thoughts of your warmth and love,  
Seem to smooth the way,  
Your gentle spirit is still with us,  
Though you are gone,  
Sunny days, cool breezes,  
Always for you, Dawn.*

*Her life is a beautiful memory,  
Her death is a silent grief;  
She sleeps in God's beautiful garden now,  
In sunshine of perfect peace,  
We miss her oh so much,  
But realize God knew best,  
He loaned her to us for many years,  
Then gently bid her rest.*

*In tears we saw you slipping,  
We watched you fade away,  
Our hearts were almost broken,  
You fought so hard to stay,  
But when we saw you sleeping,  
So peacefully free from pain,  
We could not wish you back,  
To suffer Covid's-19 pain.*

*Her helping hand was always first to render any aid she could.  
Her voice was always raised in praise;  
her words were wise and good.  
Dear Dawn, since you've gone away,  
the ones you loved so true,  
try hard to carry on the way,*

*we know you'd want us to.*

*You left us quietly,  
Your thoughts unknown,  
But you left us a memory,  
We are proud to own;  
So treasure her Dear Lord,  
In Your garden of rest,  
For when on earth,  
She was one of the best.*

*TO THE JOHNSON FAMILY*

*Poem by Mary E. Fryer*

*Do not stand at my grave and weep:*

*I am not there. I do not sleep.*

*I am a thousand winds that blow.*

*I am the diamond glints on snow.*

*I am the sunlight on ripened grain.*

*I am the gentle autumn's rain.*

*When you awaken in the morning's hush,*

*I am the swift uplifting rush*

*Of quiet birds in circled flight.*

*I am the soft stars that shine at night.*

*Do not stand at my grave and cry;*

*I am not there, I did not die.*

“ *Our dear Dawn,  
You suffer no more for you are in the house of Our Lord.  
Since 2003 you've been my teacher, my coach, my mentor, my cheerleader; supporting and encouraging my career. No matter how busy you were you took time to help and counsel all. You brought your joyful spirit to touch us each day.  
My heart has a giant whole, as you will no longer brighten my days.  
But I have been blessed to have you in my life if only for such a short time.  
I joked that I would retire on the same day as you and we would ride out on the same elevator.  
God called you home to His house, too soon for all of us left behind.  
We have all been blessed to have you touch our lives.  
The Lord has summoned his angel Dawn home.*

“ Dawn's Journey 

*Dawn's journey has just begun.  
Don't think of Dawn as gone away,  
Her journey has just begun.  
Life holds so many facets,  
This earth is only one.*

*Just think of Dawn as resting,  
From the sorrows and the tears.  
In a place of warmth and comfort,  
Where there is no pain and fear*

*Think how Dawn must be wishing,  
That we could know today.  
How nothing but our sadness,  
Can really pass away.*

*And think of Dawn as living.  
In the hearts of those she touched.  
For nothing loved is ever lost,  
And she was loved so very much.  *

“ *Heaven has a new Angel. I will forever cherish the memories that I have with my big cousin Dawn. She had great faith in God. She was beautiful, funny, a hard worker who loved her family, church family and friends. She cherished the time that she spent with them. She loved to watch car racing and her soaps opera's. She also loved fried dumplings chicken fingers and French fries. We love you Dawn now and forever. I will see you again someday my beloved cousin until then you are in the loving arms of our Lord and Savior Jesus Christ. I love you Dawn God Bless you.*

“ *May the promise in Isaiah 43:2-3 give comfort to Dawn's family. When you pass through the waters, I will be with you; and when you pass through the rivers, they will not sweep over you. When you walk through the fire, you will not be burned; the flames will not set you ablaze. For I am the Lord, your God, the Holy One of Israel, your Savior. ...*

“ *What a blessing it was to have known you, Dawn. Your faith has sustained you through many challenges and now you are in the presence of your creator. He is enfolding you in His loving arms - holding you, sheltering you, shining His face upon you. We can only imagine the great, explosive joy you must feel! Prayers for all those you've left behind - who feel deep separation and loss. One day - one day - we will all be reunited!*

“ *To the kindest soul to ever grace this earth, we will miss you Dawn. I cherish the memories of your friendship and guidance in Treasury, our many talks and laughs during FGFOA meetings and conferences, and our lunches. You were a shining light, so willing to help anyone and share your wisdom and wit. May there be plenty of French fries, some great race car drivers to meet, and an everlasting peace in Heaven.*

*To Dawn's family, I know this is a very difficult time and wish you peace and healing. Dawn surely is a new Angel watching over you.*

“ To my dearest friend Dawn, I have no words to express what you have meant to me. I have no words to convey the hole I have in my heart that I will not see you again. I thank you for your guidance , for every time I walked in your office and you stopped everything you were doing to address my question or problem. Your kind and gentle demeanor always made me feel that I was not an interruption. Thank you for the prayers for my brother when he was sick and for the prayers for my mother when she had passed. I will miss hearing you say "hi there" when you answer the phone. I will miss your support when I did something right , and the still kind and gentle way you corrected me when I mixed transcodes in the 400's with the 700's . I am honored to have met you , and I am happy for every time I stepped around your desk to hug you. I wish I could have gotten a few more of those in. I admired your work ethic , I admired you as a woman of faith, I admired what a wonderful daughter and sister you were.

*God bless you my friend, I am forever enriched as a person because I knew you. I just was not ready to have you go.*
