“ With heartfelt sympathy, my prayers are with Omar, Autumn, Omar Jr. and the entire Daniels-Blackwood family. Debbie was a dear friend with a heart of gold and a warm smile. She was genuine in her friendship and love for family and friends. Our friendship for 35+ years, even when we weren't in constant communication, our reconnection was as though we never missed a beat.... true sister friends. Some of my fondest memories will be the years traveling to summer jazz festivals and social gatherings. Losing Debbie has left a whole in my heart, but the memories of her smile, soft spoken voice, her warm, inviting and loving spirit will always live on in within me.

May you RIP good friend. You will always be missed and loved❤️. Until we meet again your sister friend , Ayanna Briscoe and family.

“ Our Friend is Healed now.
We worked with Debbie for 24 years. She was a great friend and beautiful loving person.
Debbie loved BIG. She loved her Family , Friends, Coworkers, Customers, and Job very much. If she did not become ill, she would have still been working with us. She had so much passion for her job - easy when you love what you do!
Always available to listen, help and heartfelt advice to share, or good food to eat!
Debbie is truly missed and forever in our hearts.
My deepest condolences to Debbie's family. May you find peace and comfort knowing the lasting impression Debbie made on so many. With Love and Prayers, Irene Clayton

“ *Oh so many..worked side by side at Flexsol for 9 years, I moved to GA in 2005 and we stayed in touch for 19 years..so much laughter and fond memories..my last good memory was in March when I attended my late ex husband's funeral and Debbie came to the funeral and spent the day with me and the family. Her calm nature and soft voice was always soothing. My friend was so tired but she hung with me. That was the last time we were together. My heart breaks for the family and the many lives Debbie touched in her lifetime. The illness and pain is over my dear friend. Rest in Peace. I will miss you. Boop*

“Cousin Debbie had the sweetest calming voice. Growing up even when she was annoyed with us (Donna & myself) her tone never changed. But we knew to say ok Debbie & walk away while saying to one another (uh oh & giggling 🤔) Debbie there is no more pain & as much as you will be missed we take comfort in knowing your suffering is done ☐ cousins Lisa, Kayla & MJ

Debbie is one kindest person i ever known. I can remember there was times when I stuck at work and Debbie would fed the children for me! She will be missed.

Thank God you were a part of my life's journey when we met in 2007 at Flexsol Packaging. We became instant friends. I don't let many people into my private space, but there is something so comforting when I was in your presence. Debbie, stood with me when I lost my Dad and Brother. You were the epitome of generosity, greatness and kindness. Your laughter lit up the room whenever you walked in. Deb, this world is a better place because you were here. I will forever hold you in my heart and will remember the wonderful memories on the not so good days. May God grant your family comfort and healing strength in your absence. Rest in the comfort of the Lord my sister/friend, you are missed. I love you always Joana Marcelle.

Debbie became a friend when I met her at FlexSol in 2004. She was one of the first friends I made as she had patiently trained me in the use of the computer system, and we have been friends ever since, even after I left in 2011.

Debbie's kindness and thoughtfulness knew no bounds. Although she was sick, and we were on our way to a Dr's appointment, she asked me to drive her to her friend who was sick so she could drop off a small gift.

The last time we were together, I had taken her to get a mani pedi and looking back, I'm happy that we spent the time making her feel good. Debbie, you will be greatly missed. Rest in peace, my friend.
