“ *Querida Delia siempre te recordaré. Fuisteis muy especial conmigo. Y pienso en ti más de lo q te imaginas, porque llevo una prueba parecida a la tuya con mi hijo. Y eso me hace recordar tus consejos y me hubiera gustado preguntarte cómo hacías para sonreír tanto mi amor? Espero en Fe porque tú tenías y mucha volverte a ver!!*

“ Rest In Peace, Tia. From a young age, you identified my love for animals and always reminded me. Even as I grew older, you made me see it's okay to be kind and gentle while being strong.

You were always smiling and laughing and having the best time. It did not ever matter how hard life got, I never saw you without a positive attitude. You taught me a lot about how to act and behave even when things were at their toughest.

Thank you for being you. RIP.

“ *Tia knew I loved animals, even from a young age. Although I grew older and left home, Tia always reminded me every birthday or holiday of my care and affection for small beings.* ”

She will always have a place in my heart and memories and she will not stop reminding me that being strong doesn't mean you have to stop laughing, loving others, and caring for those who cannot care for themselves.

She was funny, strong, and put family first. Her memory always brings me a smile. Rest In Peace.

“ *Several years ago I gave Tia a ride in my car. I drove her through the scenic route of coral gables and we passed by the gorgeous architecture the area had to offer. She loved and appreciated beauty, and I found that we shared that appreciation together. She stated how she can imagine a beautiful woman and the love of her life romantically gazing at each other and falling deeper in love because of their beautiful surroundings.*

Thank you for sharing your beautiful mindset with me. I will always keep this special memory, that only me and you have, in my heart.
