“ *Day after day I think about you and cant believe you are gone. If only I could be granted a phone call just to hear your voice again. Life is not the same without you and I truly feel like I cannot breathe without you here. I miss you so much and hope you are looking down on us and seeing that we are doing ok but not as great as when you were in our presence. I love you and you will forever be in my heart!*

“ *Mommy, I will always love you and miss you dearly. Now that you are gone I feel so lost and lonely without you here in my life. Darren no longer has a grandma to spoil him and watch him grow. I hope you are looking upon us in Heaven with Poppy and are proud of us. Please ask God to grant us (Darren, Cynthia, Quianna, Jamel, Chris, Jamari, as well as myself) all a special blessing soon...*
