“ You were so much more than a friend, you guided me through this lifestyle and taught me life lessons and how to survive had I ever had to be on my own. I appreciate you for being you unapologetically. You're more than a friend you are a father, not just to me but to so many others 💔 love and miss you!

“ Dennis you were a great friend to me. You encouraged me to live freely. Your confidence in life and laughter was breathtaking. I will always remember you the memories we share meant more to me than you know. The laughter that we share will always stay with me forever. I admired your bravest, and you taught me not to care what anyone thought about me. I love you and I know you always be in my heart. Sleep easy my friend and hoping to see you again soon.

“ *In loving memory of my dear cousin, who was more like a brother to me. We spent countless days laughing and talking, creating memories that I will cherish forever. Your laughter lives rent-free in my head, and our special bond brought so much joy into my life. You were the only family member who visited me when I lived thousands of miles away, and those moments meant the world to me amongst many other moments we shared.*

Cuzz, I treasure the adventures and laughter we shared. You were always there to lift my spirits with your warmth and kindness. Your presence was a beacon of light in my life, and your unwavering support and love will never be forgotten. The bond we shared was truly special, and I am grateful for every moment we spent together.

You will be truly missed, but I find comfort in knowing that you are near. Fly high and be at peace, my dear cousin. Your spirit will live on in the hearts of all who knew and loved you.
