“ I deeply regret the passing of Denniston Carlyle Gill. I extend condolences to his family and friends.

Dennis (as we called him) and I were members of the Brotherhood of Saint Andrew at the Episcopal Church of the Atonement in Lauderdale Lakes, Florida. He was very dedicated in adhering to the mantra of the Brotherhood: the disciplines of prayer (to pray daily for the spread of Christ's kingdom), study (to study the Holy Scriptures regularly) and service (to make continuous efforts to bring others nearer to Christ.)

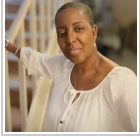

He was a quiet, dignified, gentleman, with expertise in many genres of music, with emphasis on jazz. He always promoted intellectual aspects of Caribbean culture; for example, he emphasized the importance of exposing young Americans of Caribbean descent, to the fact that there was once an English-speaking Caribbean nation (The West Indies Federation) between 1958 and 1962.

When I think of Dennis' legacy, I paraphrase Thucydides words, indicating that what we leave behind is not what is engraved in stone monuments, but what is woven in the life of others. Denniston Carlyle Gill had a positive influence in the lives of many of us.

May his soul rest in peace.

“ I knew Dennis as he was called many years ago when we were students at St. Catherine's Primary School in Spanish Town St. Catherine Jamaica. We also worked at Record Office.(Registrar General Dept.) also in Spanish Town. He served as an Altar Boy at the Catholic Church (St. Joseph's) in Spanish Town. He was always very outgoing, and fun loving, was very popular with the opposite sex and even got into trouble at times. I never saw him again in person until 2015, but we were friends on Facebook. Dennis & I exchanged New Year's Greetings 2 days before his sudden death. Rest in Peace my friend, and may Light Perpetual shine upon you. To Archie and family please accept my deepest condolences on behalf of my family who knew Dennis, and may the peace and comfort of GOD be with you All at this very difficult time. Love & Prayers. ❤️💛🙏🙏🙏
