“ *Well this one is a shocker , I spoke to her in December, she's my God mother I would call her often and promise her a few times that I'd fly to Florida to see her soon she told me she wasn't doing well . She prayed for me and laughed with me , I didn't even get the news she was gone for the past few weeks I have been calling her phone but the line was no longer in service . I have no one else's number to call and at this point my heart is broken all over again .*

I have been getting the urge to call her for the longest time but didn't, I finally call today and got the message that the phone is no longer in service, I really don't have any excuses for not getting in touch with her, I found out about her passing by going on Google, Her Nephew lives nearby but never reach out, May Her Soul Rest In Peace

My fondest memories of Mrs. Khaleel was when she showed us how to make patties from scratch. She was a joy to be around. My sincere condolences to the entire family and host of dearest friends. The Lord has gained another treasured soul in heaven.
