“ I have fond memories of Ely as a child. She is my oldest cousin Jose's wife. I remember various family gatherings when my grandmother Mercedes was still around and she always had a distinct laugh that I can still remember to this day and a beautiful chinky smile. Although our visits together have been far and in between since then, I do remember a visit to Fort Lauderdale a few years back and I went to visit them all and she made us some delicious food and she and my cousin Jose had us laughing for hours.

I am so sorry to hear that she's gone. My love to my family in Florida. I am so sorry I can not be there.

Lots of Leaty Love from your family in New Jersey

“ Candace, (and family), I'm so sorry to hear about the loss of your mother.

I didn't know your mom, but knowing you tells me a lot about the kind of woman I think your mother must have been. I'm sure that she was a wonderful person and she'll be missed by you and everyone whose lives she touched. Please try and remember that, in time, the grief you feel now will ease and be replaced with warm memories of the time you had with your mother. I look forward to the day when there's a smile on your face that's there because you're thinking about her and one of the warm memories that she left you with.

Please accept my deepest sympathies.
