“ *I'll never forget my 27th birthday. I was alone and by myself and that just wouldn't do for Bizzy. She went out of her way, made me a cake, got me a card and it turned into one of the best birthdays I have ever had. Thank you Bizzy for the best surprise party and the best friend a girl could ever have. I will never forget all the times we spent together and I will miss you and that beautiful smile of yours. You are in my heart forever. Xoxo*

“ I can never forget you Biz, we have shared so many memories and adventures together. I remember when we use to go to Hollywood to see some live music and spending hours on the beach. You are one of the best people I ever knew, still can't believe you are gone. I just keep replaying the memories that we made together over and over again. I will always love you, you will always be alive in our hearts.

“ Bizzy will forever be in my thoughts and in my heart. We became friends talking about Marilyn Manson, and soon she became apart of the family. She was a great friend. Walking all over Sunrise, laughing, and steady at that newsmart... I'll always cherish those days we thought were so boring. I love you, Bizzy! Was so happy to reconnect with you, and I'm so sad we didn't get to spend more time. The world was brighter having you in it. My heart goes out to Conner, her sisters and parents, and to all who got to know and love Bizzy.

*RIP beautiful girl*

*It saddens me to learn of the passing of this young women that I know for a brief time. The one thing I remember about Elizabeth is that she loved her son very much. I now know that her son has an angel loing after him.*
