

Elmozene A. Hall

February 19, 1929 - June 21, 2018

Elmozene Ann Hall known simply as "Ms.Mac" or "Mackie," was born February 19, 1929. She born in Bickersteth Saint James Jamaica WI to Ethel Williams and Victor McFarlane. She was the 2nd eldest child while here on earth with two sisters and two brothers. She went to Bickersteth Elementary and was gifted in talents of dressmaking and embroidery. She was her sister Eslyn best friend and second mother. When you see one you would always see the other. She had a loving heart, supportive demeanor, and so full of spunk.

Elmozene was a dedicated wife to her one true love Alexander G. Hall for 52 years up until her last breath. They were truly one heart one soul until death did them part. Their marriage was as the scripture says love is patient love is kind and these are the things they found in each other through the years. She affectionately called him "Alec" never wanting to be without him or by his side. Like two pieces of a puzzle they were a perfect fit.

Elmozene left Jamaica in 1967 moving to Chicago. After about a year she left and moved to Brooklyn, NY. While living in Brooklyn she worked as a Nurse's Aide at Brookdale Nursing and Upjohns Home Care Services, dedicating her services to the elderly with understanding compassion and gentile touch.

She had no children of her own, but boy did she mother enough including her

sister, stepson, nephew, granddaughter, great-nieces , great nephews, and friends along the way. She was there for them in every kind of moment including happiness or sadness and supported with a helping hand and a listening ear because she was just that type of person with a heart of gold.

While writing this eulogy I asked people to tell me what they would remember the most about her. The things that was said was amazing and heartfelt. She was big on prayer, big on family, big on doing right, and big on sayings and scriptures.
