“ Dear Elsa :

What to say to you? Obviously you know that you will be missed very much! You always had an answer to any question that was asked and ready to assist in anything that we needed help. I really enjoyed working with you these past five years since 2017 when I was hired at JKV. You always made it fun for us : with the Christmas parades, and our Birthday notices.

We love you very much and you will be missed just a few days after you passed, I found myself going to ask you a question about a uniform and it didn't hit me again until I entered your office that you were no longer with us. Now you are an angel in the skies keeping an eye on your family and I know that you'll also make time for us at JKV . You'll never be replaced in our hearts .

God Bless your family and I'm very sorry for their loss .

“ *Elsa was a beautiful, caring, sweet soul. I worked with her at John Knox Village for 14 years but also had the privilege of knowing her through her parents, who were patients of mine in the home health agency where I was employed prior to my work at John Knox Village. Elsa had a wonderful, kind heart. She also possessed an incredibly strong commitment to her work at John Knox Village. She was often here into the early evening making sure she completed everything she possibly could. She was willing to help wherever help was needed. She will be very missed.*
