“*Heartfelt condolences to the family on the loss of your beloved Emanuel. May the Lord give you the strength to cope at this difficult time.*

I feel a deep sense of loss of my dear cousin and friend, Palmer. It is especially difficult for me because I won't be able to attend the service as I am down with the flu. I have so many fond memories of him that I would have liked to share. I will always remember him as an ambitious person. For him the sky was the limit. He would try everything and he never stopped until he achieved his dreams. He was passionate about family and he kept in touch with everyone. He had strong opinions on many things and would not give in easily.

He had a love for God and the church and he loved to sing.

I will miss the long conversations we had.

May his soul rest in peace and may light perpetual shine on him
