“ Our memory of Aunt Ethlyn goes back to our childhood days, when she would visit us from Canada for Christmas. It was some of the most memorable and precious times in our lives She would bring us our Christmas clothes, shoes and gifts. She was known for her great sense of humor especially when she got together with her other siblings. We would stay up until late in the nights and listen to them laughing, dancing, eating and having a good old family time. She had a love for photography and I remember the fun times we would have with other family members and friends all sitting in our living room, while Aunt Ethlyn would bring out her movie projector and showed us pictures of Canada and all the other family members living in Canada at the time. Our living room was like a movie theater we would eat popcorn and ice cream while we watched with excitement. We would cry when it was time for her to return to Canada and wished she could have stayed longer with us. She was a very fashionable and sophisticated woman and we considered her the life of the family. There was never a dull moment around her, as she opened her mouth you had to laugh, no matter how sad you were and another thing with her ,she does not beat around the bush, she tells it as it is and you could not get mad with her. Aunt Ethlyn, we will forever love you and you will always remain in our hearts- Give our love to the other family members who have preceded you like to Papa Jim, Mother Perry, Bro & Sis Gordon, Mr. Stanley (our dad) and two brothers Bill & Bas and many more. Rest In peace our aunt! - From the Davis's Family (Mother, Pt, Danny, Charley, Velma and our immediate family.
