A dynamic person, a go getter, formidable with a heart of gold. She was straight forward, tell it as it is without any reservation. Was very kind, generous and empathetic. Cared for her family, as a hen cares for her chicks. We loved you Sis, will cherish "the memories". Rest in God's Eternal Peace. Siblings, be comforted and trust God. HIS Grace is sufficient. Nuff nuff love to her children and their families during this time. Be assured you are all in our prayers. Blessings.

A second link has been broken, our dear sister Nicey has left us. She was a mentor and a tower of strength for our family. She was a brave, courageous, kind, loving, and caring person. She was a nonsense person, who would tell you as it is without any reservation and at the same time gives you her heart. We will miss her dearly especially at Christmas times and family gatherings. She was the life of the party. The times we spent together from childhood, the memories we made are special!! Although our hearts are broken, her memory will never fade. Sleep on sister dear, you have fought a good fight. You have finished your race, and now you are resting in the arms of your Savior. You will never be forgotten. You will be in our hearts forever!! From all of your siblings

Tribute to my dearest Sister Nicey.

It is difficult to put into words what it means to lose someone who was so dear and kind to me.

My sister Nicey was the definition of kindness, but she never confused kindness with weakness. She was a no nonsense person. If you need the truth, you go to her. She didn't believe in sugar coating, you always knew where you stand with her.

I will never forget how feisty she was.

Nicey was a fighter, a protector, and the first to stand up for any of us

She met life's challenges with a bold, uncompromising spirit. She lived with passion, and refused to let anyone or anything bring her down.

She was meticulous. She loved a very clean, organized, and peaceful home.

Walking in her home was a reflection of her inner mind, clean, orderly, and comfortable. She taught me that cleanliness wasn't just about appearance, but about respecting yourself and your environment.

Though she no longer with us, I still feel her strength.

I hear her voice telling me to straighten up, be strong.

The void she leaves is immense, but the impact she made on my life is eternal

Nicey was very kind and caring to me.

Rest well my sister.

You have left an indelible mark on my hearth.

Aunt Nicey, (aka Eun) we have never met in person. Through my dearest childhood friend Carlene your cousin I felt like I did.

Today, we pause to honor the life of Aunt Nicey, a woman whose presence touched many more hearts than she ever realized. Though she was my childhood friend's cousin, she became someone who felt familiar, comforting, and deeply genuine. She and Carlene shared an unbroken bond, her kindness was steady, her laughter warm, and her heart always open.

Carlene, losing her dearest cousin leaves a space that cannot be filled, but her memory remains a blessing - one that continue to shine through the love they share so freely. We honor her journey, and the legacy of warmth she leaves behind.

*May her Soul rest in eternal peace. May her family and loved ones find comfort in knowing Aunt Nicey light will continue to live on.
