To the family, accept my deepest sympathy, don't weep as those who have no hope. Cherish the memories and know that one day we'll meet again.

“ We thought of you today, which is nothing new.
We thought of you yesterday, and days before that too. We think of you in silence, we often call your name, now all we have is memories and your picture in a frame.
Your memory is our keepsake, with which we'll never part. GOD has you in his keeping, while we have you in our heart.
Your memories will be with us while we carry on, rest assure that you will always be loved and forever be in our hearts.

Love always Aunty Loey.
