*Please accept our deepest condolences. Mommies stays and live in a special place in our hearts as children. That's why Mommy will always be there although not here in the flesh. She loved you, nourish you, taught you, spent time with you, her grandchildren, and family. You and your family will never be without her because she will continue to live through you, grandkids, and family members. Just know that Both Mac and I are here for all of you. So, don't hesitate to reach out with anything we can help! An amazing woman like mommy are an inspiration to everyone around them. Just remember that we will always love you...xoxo
