“ I met George back in 2005 at Lauderhill target. I ran into him a few times at Plantation Target in 2023 and most recently at the funeral of someone I knew a few months ago. Even after not seeing me for over 15 years he still greeted me with the hugest smile and the biggest hug. George had the type of calming spirit that could change the atmosphere. You were an amazing soul. May you rest in Peace

“ *Cousin Allan rallied around everyone. Since December 2012, I've witnessed his support for family... immediate & extended. Visits to Florida and York Castle will not be the same but I'm grateful for the time we've shared creating family memories. May God comfort the hearts of those left to mourn and may Cousin Allan rest in peace.*

News of Br Allan's death brought much sadness to my heart.

When I was a teenager Br. Allan was the Youth Director for the Beechamville/Bensonton Circuit of the Jamaica Methodist District. He helped to organize several youth events such as youth camps and other youth gatherings. He had the interest of the youths at heart and was always present at all of our events. We looked up to him and drew strength from his warm smile, laughter and outgoing personality.

He and Sis Valerie welcomed all of us into their home in York Castle as if we were their biological family.

Allan loved and cared deeply for his home church York Castle Methodist and devoted much of his time to it before migrating to the US.

Today I say thanks to our friend and youth director who stuck by us all the way. Thanks for your encouragement and words of wisdom imparted to us.

Today I am a Methodist Minister and some of what I now impart was learnt from Br Allan.

Sis Valerie, Aileen, Shauna, Leona and your other sister do know that we share your pain. We loved your husband/dad as you did.

Our prayers are with you all at this time of your bereavement.

May the soul of our dear beloved rest in peace.

*“ I met Mr. George while working at Target in Lauderhill, always had a smile on his face and a song to sing. He was one of the most sweetest human beings you could come across in this world. His presence will never be forgotten. My prayers goes out to his family.

“ I met george working at Target in 2010. He’s always been the nicest guy in the store. Always willing to help those in need. Fast forward 14 years and I still would say hi to him at the plantation store with the same amazing energy. George you will be missed! RIP

“ I've known Allan from we were living in Jamaica. We reunited in the USA and have been working together for over 10 yrs. He was more than a Co-Worker to me but a true friend. He was truly an awesome individual who put a smile on the faces of everyone around him. His favourite words at work was Peace and Love. I remembered once I offered him some Stew Peas and from that day he gave me the name Stew Peas Lady. , "So everyday when I arrived at work he would joke with me by saying No Stew Peas for me ." No man you affi go back home. (Smile)". I can say he was loved and he surely left a mark on all of us. S.IP my Friend you will be missed.. 🌸

George, (Allan) to those who knew him fr Jamaica was a very good friend of mine. We went to Alderton school together and were in the same classes.

I fondly remember Allan bringing locus -we called it (tinking tloe)school for us, me included. A group of children then would travel fr York Castle to Alderton for classes and we would meet them part way coming to Alderton school before they get to the masses to ensure our tinkling toe was not given to other children.,

I remember Allan as a jovial, happy, playful classmate. He would make you laugh even if you were not having a good day. He was bright in class and he could crack a joke instantly.

We lost touch over the years, but I always called on him for support for Alderton School, ever before the org got this popular. He was supportive when we had our s school bag give aaway along with Ivy (Jem) Thomas.

I spoke w him last year and he still maintained a jovial spirit.

I was saddened to hear of his passing and will remember Allan as a kind, loving , happy humble person.

To Claris, Norma (those I remember) Also to his wife/family, be comforted that Allan is resting in the arms of Hesus.

No more suffering.,Let us live our lives so we will see him again., Janet Morris-Gayle

*It is with deep and sincere sadness learning of the passing of my friend and classmate George, we usually call him Allan and when joking around we nickname him Pattygut, Allan was funny and filled with humor and you would not have a sad moment when you are around him, as we grow up leave school in Alderton we choose different paths as we seek the best life has to offer however this did not stop us from maintaining contact and remind ourselves of the boyhood days and how we were managing the issues that life would throw at us, up until the time of his passing Allan was an active and supportive member of the Alderton Past Student's Association and would always make contributions towards the school, so on behalf of myself and my family the Vice- Presidents the Executive Committee and members of the Association we our deepest condolences to his wife and children, his siblings and other families and friends, I a sure you all the we share the loss and will continue to grieve with you but please remember that when we walk humble and obedient with the Lord we will not sorrow in difficulties as those that have no hope because we will find comfort in the words of the Lord, we find assurance in his promises, strength and comfort in our faith and thereby with confidence we wait to meet in the first resurrection. Be blessed dear friends
