“ Ms. Gladys, Here at work(Debt Helper), you are truly missed. I really realized how much I miss you this morning. Getting to work early and to think I was the very first up and to see you sitting there, beating everyone at work was Amazing, especially at your age. That same moment came to me this morning, but this time you wasn't there to make me smile and laugh. I love you Momma. You left beautiful memories and for that I am forever grateful to have met you and appreciate the last 5 years spent with you. Rejoice in Heaven. They don't know what they are about to see. It is on. Love you Forever.

“ *Condolence*
Those we love can never be more than a thought away; for as long as there's a memory, they live on in our lives. I will forever remember our Conversation and the encouragement she shared. Wishing you strength for today and hope for tomorrow. I believe that tears can heal, memories can comfort, and love lives on forever.
The loss can feel immeasurable, but so can the love that's left behind.
