“ 32 years & 7 months.....

I saw a young lady with a beautiful, gentle smile and radiantly warm nature.

Grethel:

Thanks to this magnificent woman, she was the best friend I could call, the older sister I could so comfortably speak with,, multiple times in my life, whether it's marriage, a birth, graduation ceremonies etc. She was my number one fan.

As much as she CARED for others, She taught her children to be altruistic as well. They guided my children through the elementary school corridors of Castle Hill Elementary, walked them home & fed them many days.

When I became a grand mother she said don't let the children call you grand ma because every last soul will do the same , even when they are older than you and I know you are young at heart like myself. I proved her right when I let them put mama before my name..

A woman of God, Chosen, Led and Fulfilled in every path she took

When you spoke with her she always interject a bible statement to back up things. I know her bible was her main research tool.....Sowhether you like it or not u are going to church on the phone or otherwise. She also taught me the true meaning of friends who are family without the DNA

*A true leader, a gentle, humble giant of a woman, majestic in her life, monumental in her efforts to keep her family and others on the straight and narrow path.
Karen-Gaye, Omar, O'Neil & Jodi-Kaye thanks for sharing your mom. Be strong.*

*32 years and 7 months of friendship.
Grethel you will always be in my heart.
Rest well my friend.*

“ *Verily I say unto thee, To day shalt thou be with me in paradise.*”

Mrs. Grethel was an extraordinary woman. Every time I saw her come to the Kingston plaza in Lauderhill, Fl, there was always a pleasant spirit about her. She gave my husband and I scriptures to read on prosperity. She listened to our struggles as business owners and offered prayers. She supported, loved and wanted the best for us. I hate to see such a beautiful person go away but I have peace knowing the Lord Jesus has welcomed her home. Until, that day we see all our loved ones in paradise.

Love

“ *My spiritual mother, my daughters God mother, my friend my confidant, my sister in Christ, my prayer partner, my study buddy, my second mother, my spiritual sister, my rock..I am so glad that I was a part of your dash. 31 years of strong solid friendship..when everyone kicked me to the curb, you were there to give me solace, comforting words, words of life and hope, words that still haunt me to this day. I remember those years at BCC how we studied tirelessly, how we made up mnemonics for pharmacology class, how you would burst out with a joke in the miiddle of deep studies and then you would look at me and say "a wah"....I remember thoses drives back and forth to school in that car that special car, our many visits to church together, our mission trips and long nights of prayer meetings from one house to the next, the miracles that were wrought to your prayer ministry and how many souls were birth for the kingdom..How can I forget those special encounters you had with the Holy Spirit and the mighty revelations He would reveal to you about my life...I remember so much and time and space cannot hold all I would love to say but our last encounter together was a bitter sweet one..but God knows best...Your fight is over your work is done and now its time to rest...Rest on my beloved friend ..we will meet again on the sea of glass on that great resurrection morning when the dead in Christ shall rise first..until then my heart will go on singing....Sleep on Grethel....To the family Gaye, Omar, Oniel, Jodi-Kaye and the other family members my prayers are with you, my heart is with you.. let us weep not as others weep without hope because as children of God we have a lively hope that if we remain faithful, we will see Grethel again....Elder Vivia Haye*

“ SIS GRETEL WOODSTOCK AND AS I PASSIONATELY CALLED HER "SIS WOODSTOCK/WOOMAN OF GOD"AS I REFLECTED ON SIS WOODSTOCK AND HER PRINCIPLES AND VALUES OF A GODLY LIFE,I CAN'T HELP BUT TO GO BACK TO THE SCRIPTURES OF PROVERBS 31:10-31.IF YOU KNOW THE FRUIT OF THE SPIRIT,THEN YOU TRULY KNOW AND HAVE AN UNDERSTANDING OF WHO SIS GRETEL WOODSTOCK REALLY WAS.SHE WAS ABOUT HER FATHER'S BUSINESS AND SHE WENT ABOUT DOING GOOD.IF YOU HAVE HAD A NEED OR NEEDED TO BE SUPPORTED ,SIS WOODSTOCK HAS A WAY OF KNOWING THAT "SOMEONE IS IN THE WILDERNESS" OR IS CRYING OUT FOR HELP AND SHE WOULD BE RIGHT THERE BEFORE THE NEXT TEAR DROP FALLS.OFTEN TIMES I HAVE WONDERED,HOW CAN ONE PERSON BE SO TRUE,SO KIND AND SO CARING?IT WOULD FINALLY BE REVELED TO ME OVER THE YEARS THAT SHE WAS "A WOMAN ON ASSIGNMENT FOR THE KING!"EVERY WHERE SHE WENT,SHE WAS DOING GOOD FOR ALL! IT WOULD TAKE ME A LIFE TIME TO SPEAK ABOUT THIS VIRTUOUS WOMAN,FOR HER PRICE IS FOR ABOVE RUBIES.SIS GRETEL WOODSTOCK LIVED A GODLY LIFE AND HAS LEFT A LEGACY FOR ALL.SIS GRETEL,I AM SURE IS SADLY MISSED BY ALL,NEAR AND FAR.MY CHILDREN AND GRANDCHILDREN(THOUGH YOUNG THE GRAND CHILDREN ARE)HAS HAD SOME INCLINATION OR ANOTHER WITH THIS GREAT AND POWERFUL WOMAN OF THE MOST HIGH GOD.AS I DO MISSED HER LIKE EVERY ONE ELSE DOES AND CRIES INSIDE OUT AND WITH SILENT PRAYER;I AM THANKING GOD FOR HER AND GIVING THANKS THAT SHE HAS WALKED IN MY LIFE AND HAS LEFT AN UNERASABLE PRINT ON MY HEART.SIS WOODSTOCK HAS DONE HER WORK ON THIS SIDE OF THE VINEYARD AND HAS NOW JOINED THE RANKS THAT HAS ANSWERED TO THE MASTER'S CALLING.WILL YOU BE READY?WILL I BE READY?WELL,I WILL ALWAYS REMEMBER SIS WOODSTOCK FOR WHATEVER IS GODLY,TRUE AND PURE.GOD BLESS YOU ALL...SAINTS OF JESUS THE CHRIST.

“ Sometimes I would just walk pass "Mommy Woodstock" and there would be raised hairs and chills on her arms. "Sandi look at this!" she would say, and then a word from the Lord would follow. She was so tickled by how God would let her know it was him speaking, and I was humbled each time because God literally gave her specific and encouraging messages just for me in those questionable moments of my life. Jesus was truly her husband and I grew an hunger for that marriage relationship with God eversince she came to see me in an urgent need. I remember thinking she had to be at work, but yet she came to pray for me.. She diligently hid the word of God in her heart and as she spoke, those scriptures became the lifelines that performed heart to heart resuscitation. Eversince that day I began to whisper "Mommy Woodstock" in her ear when I would hug her to greet her. She had a way of making me feel special by showing genuine interests as we chat about my life accomplishments as well as my children's. I'm just happy to know I don't have to be sad because she's with her best best best Friend, her faithful and loving husband our Lord Jesus Christ who she was never ashamed to witness about...We easily got caught up in long admonishing conversations about him. She loves him so I'm asking God to kiss her for making me feel in my heart like I was a part of her family through telling me she loved me and encouraging to believe God no matter how things may appear. She believed with all her heart as her favorite scripture states" Jesus is the same yesterday, today and forever more." Now she gets to see that in person through the ultimate healing of being absent from the body to be present with her saviour. It makes my heart glad for there's no more pain just pure love. Thank you Mommy Woodstock for helping to change my life and I'm determined to be there with him one day. I love you
