What a great loss. R I P, your family should know you wore the uniform with honor, dedication and respect to any and all you met whether child or adult. Each day with the children you brought a smile and pride as you showed them walk the straight line and you can achieve anything. You represented the uniform and policeperson badge as a true police officer. I was proud, humble , and honored to stand by your side many a day and night events in our City or wherever we met in our journey of life here on earth. I know our lord has a place 🙏 for you in heaven because so many children have left too soon here on earth so your new job is to take care of them there, the only difference is you do not have to collect back packs for the children because GOD, OUR LORD,, OUR FATHER, has wings for you and them. You may be gone but you will never be forgotten, as you are one of our TRUE HERO'S ALWAYS. 💕love prayers 🙏 A proud resident of Deerfield Beach With you ALWAYS Taking Care of Us All. PLEASE KNOW R I P we will always remember you in our Hearts, deepest sympathy to your Family and Friends and your extended family BSO 💕💕 Claire Riccardi ❤️❤️

“ Words can't express how much you'll be missed. You were such a fun person with a big heart. I admired how much you cared for the residents of Deerfield and how you were willing to give your last as it relates to the kids. During our time working together, I enjoyed listening to your stories about your grandkids, how you love to cook and most of all how you wanted to retire and vacation back home in Jamaica. The connection between you and Mr. Diprado can never be duplicated therefore the EPI program will never be the same. Thank you Morro for all you've done and I send my condolences to the Morrison family. Rest Well!!

“ My condolences to Morro's family. Thanks for the memories of our days playing football, Dominos, cricket and "nuff Reggae music." Back in the 80's were the days to be living and working in Panama. Thanks to you and the rest of the "Yard crew" every day was like we never left Jamaica. Thanks to you "memories don't leave like people do." My brother from another mother. Rest in peace until we meet again on the football field on the other side.

Peace, Love and Courage always.
