“ I first met you as a fresh face young man and never got a chance to say goodbye when you left the UK for the USA.

However i stayed in touch with all your children here in England and some of your grandchildren. I have to say they have all done well under your guidance and your legacy is here for all to see.

I am sure they will miss your smile and reassuring voice but the values you have placed within will last as long as the good Lord gives them life.

RIP Mrs Ferguson
