“Say not in grief ‘he is no more’ but in thankfulness that he was.”

Geography may have caused a physical distance when I moved to Canada in 1972 but not an emotional distance. I have two handcrafted jewellery boxes, which he sent to me in Canada as gifts. I will always cherish and remember the happy memories, such as visiting him and my sister Marie in Florida as well as speaking to him not long before his passing. Without my father, I would not be in existence.
