Jennifer, I can't believe I am writing this right now.

You looked so happy on the zoom party and I am happy we got to celebrate you while you were here. We sang, laughed and prayed.

I wished we had more Thanksgivings together and I got to know you better. Thanks for being a friend and cousin to my Mom.

Family was truly important to you, it was inspiring to see how you organized and brought so many people together at Thanksgiving.

I know you are no longer suffering and you are in a better place.
