What can i say besides rest in piece to my awesome uncle. That man taught me many things that my own father wasnt around to teach. Tio used to make me work all day at the shop working on cars and teaching me work ethics. Afterwards it was always soda and scratch off stops at the store to test our luck. If we won a dollar then it was on! We would pack up and go fishing all night. Those were special times in my life and for that i thank you tio and will always have love for you. You will be missed as a man, a father and a friend. Love you old man. May you be with my abuela celia y abuelo luis pagan as angels looking down on your loved ones knowing how much love we have for you all.
