“ *Harriet, we couldnt believe the news that Joel passed when Sheila told us yesterday. We just had such a good time with you both at the thrift shop, going out to lunch and having you both over for the superbowl party at our condo in sunny isles. I cant believe he is gone so soon. I just bought the meatballs from the dollar tree he recommended! ,,OMG...I will never forget the super glue story and the story about you pole dancing in the livingroom!....our prayers ,,and sincerest condolences...Darien+Linda Chalecki, your friends from Connecticut.*

“ *I met Joel when we were teenagers (many years ago). He was a very funny and likable person. When Maureen and I met Harriet, the four of us became very good friends. Years later when Maureen and I got married we moved to Morrell Park in Northeast Philly and later realized that Joel and Harriet also lived in the same general area.. It seem that Joel was following me around. LOL! We continued our relationship and will miss him so very much.
Joel, I will always think of you and the good times we shared.*

“ We met Joel and Harriott on a cruise several years back. They opened their home to us for a few nights before another cruise we all took together. Nicest couple I ever met! Joel would make us laugh til we cried! Harriott and family know how sorry I am for your loss!

Herb and I met them at vacation village in Weston. I could tell from their friendliness that they knew and had lots of friends there. I lost Herb in January 2016. He was ill for a long time and I know he isn't suffering. I know Joel will find him up there and be a friend in heaven too. My deepest condolences to you and the family.
