“ *To Glenda and the rest of Our Family, My Prayers are with you. God willing, I will be with you from a distance. All of us have special memories with our Big Cousin/Big Brother. I always loved how Johnny would check in with his Uncle Charles and Aunt Gilda (My Daddy and Mommy) just so they would know that he was O.K. My Favorite Memory is the day we were attending My Brother's Home Going Service! In customary form, as the service was just beginning, Johnny entered the Church and "cooly" walked up to the front of the church to let his cousins know that he was there! The minister had to pause the service because we had a Brotherly Family Reunion right then and there! Thank You Johnny for helping us to see the world from a different perspective. I Pray that God has Your Soul and that you have gotten to see Our other family members that are in Gods Kingdom...R.I.P.*

Renee and I are saddened to hear about our families loss. Remembering all the fun memories and wonderful times we spent together fills us with joy. Johnny was an inspiration to everyone he came in contact with. He was there to help the family and the young men grow from teenagers to adults. Please know that you are in our thoughts and prayers at this difficult time. 🙏
