“ *I was so much disbelief when i got that phone the call that it took me a min to process it. Every time I would think of you I would cry and then smile. I so happy that we have so may memories that I look back on. You loved your family. This will not be the same I love you and miss you. Rest In Peace Doovie.*

“ *I don't know how to feel. A nightmare I'll never wake up from. Doovie was never just a blood relative to me. He was the only brother we had. Only 6 days apart. We might as well had been twins. A sisters love will never faid but a hurt of this magnitude is one we never want to have to endure. No more drinks, no more smoking, no more of us acting like kids and laughing just because we can, no more seeing your beautiful smile but in pictures and memories. All of our summer memories is all I can really think about. Mom making sure the fridge was filled of doctor pepper. Us being idiots and smoking paper... Until we moved on to real stuff. I don't regret anything we've ever done together. I would do it all over again. No more phone calls by you or Vicky or really the both of you, "are you on your way yet?" What's the point now? I'm heart is ripped. I have a family to care for and I can't even right now. I want to be there with you. Touch and kiss you one last time. I can't even see my screen from tears. I love you so much!*

“ My dearest sweet Doovy,

I am so heartbroken, you were taken way too soon. My heart dropped and I don't want to believe this. You always gave nothing but love and you were always so affectionate. You were the big brother I always wanted.

I wanted to cry but every time I think about you, I could only laugh. Every time we were together we were laughing, being silly, and getting into trouble lol ☐ Always a good time! Anytime there was a family event, I asked for you first. I was always so excited to see you. Your vibe was so gracious. I'm so grateful you were a part of my life and left me with some great memories ❤️ Things definitely won't be the same without you.

Rest peacefully my brother 🥺💋🥺❤️☐❤️❤�☐😍 I love you FOREVER! Sending my love to you all!

*Love always,
Vicky*
