“ *My Granny J, I thought you were the roughest person on earth but grew to realize those were just the thorns that were there to protect the Beautiful, delicate Rose you were. You were truly loving and sweet. God was ready for you. He picked the most beautiful rose for His garden. Rest well until we meet again Granny*

“ *My mama knew how to laugh out really loud and that was infectious. Those drop girls in my hair would be done with ever ounce of love just to make me feel beautiful. Those acts of love in giving when you think she never noticed the need. Love you mom.*

Mom you left a light with us. We watched your light flicker until it was able to shine brightly and no more flickering. We will miss you, but you had to answer your call. ❤️ You. “Your 1st Girl”.
