“ I am devastated by the untimely transition of my dear, dear childhood friend "Kaydo".
I always affectionately called Kay, "Kaydo". We met in Junior High School and have been great friends ever since. It didn't matter what city we lived in over our 40+ year history, we always kept in touch...
I already miss her genuine sweet & humble personality.

I am extending my deepest condolences to the entire Evans & Martin families. I want to remind them that to be absent from the body is to be present with the Lord.

God Bless you Kaydo & say hello to my Daddy when you see him!

Love your friend always,
Christine Smith (Quashie)
