“ To my former stepfather: Your work on earth has ended, but your legacy lives on. You left a mark in all our hearts not only just your love one. We thank God for the times we had (my visit with you last summer was memorable) and now the memories will help when we're sad. We love you but Jesus loves you best.

“ RIP Uncle Keith, I enjoyed my trips to Swindon as a child. Your warmth, kindness and humour will never be forgotten. In the latter years, we enjoyed catching up with during our visits to Florida; your shared family stories and always made us laugh. You will be sorely missed but we know you have gone home to rest in heavenly piece God bless
